

Diabetes care

close to home

Piedmont Columbus Diabetes University

March 15, 2025

Conference Center • Piedmont Columbus Regional Midtown • 7 a.m. to 3 p.m.

6.5 AMA PRA Category 1 Credits™ • 6.5 ANCC Credits • 6.5 AAPA Category 1 CME credits • 6.5 IPCE Credit

Educational Objectives

At the conclusion of the conference, participants will be able to:

1. Discuss the autoimmune markers related to type 1 diabetes and identify patients at risk for the disease who would benefit from possible treatment.
2. Describe autoimmune disorders associated with type 1 diabetes.
3. Design personalized treatment programs for each patient.
4. Compare the spectrum of oral hypoglycemic agents available to treat type 2 diabetes and the potential benefits and ameliorating the risks of complications.
5. Describe the musculoskeletal issues that can occur in patients with diabetes, the appropriate use of NSAIDs to treat arthritis, and when to refer patients for orthopedic consultation.
6. Explain how to use continuous glucose monitoring to support patients with diabetes.
7. Discuss the treatment of retinal disease in patients with diabetes.

Educational Audience

Physicians, nurse practitioners, physician assistants, nurses, diabetes educators, and other healthcare professionals who manage patients with diabetes.

Agenda

(subject to change)

7 to 8 a.m.

Registration, Continental Breakfast, and Visit Exhibitors

8 to 8:15 a.m.

Welcome

Maliha Jumani, M.D.
Piedmont Columbus Endocrinology

8:15 to 8:45 a.m.

The Coming Revolution in Diabetes Care

Steven Leichter, M.D.
Senior Endocrinologist,
Piedmont Columbus Endocrinology,
Professor of Medicine,
Mercer University School of Medicine

8:45 to 9:30 a.m.

Designing More Individualized Treatment Approaches for Diabetic Patients

Michelle Ponder, M.D.
Assistant Professor of Medicine
Duke University School of Medicine

9:30 to 10 a.m.

Insulin Therapy in Diabetes

B. Adam Dennis, M.D.
Piedmont Columbus Endocrinology

10 to 10:15 a.m.

Break/Snack/Visit Exhibitors

10:15 to 11 a.m.

Oral Agents and GLP1 Agonists in the Treatment of Diabetes

Maya Fayfman, M.D.
Associate Professor of Medicine
Emory University School of Medicine

11 to 11:45 a.m.

The Expanding Role of Continuous Glucose Monitoring (CGM)

Mihail Zilbermint, M.D.
Professor of Medicine
Johns Hopkins School of Medicine

11:45 a.m. to 12:30 p.m.

Bariatric Surgery in Diabetes Care

Kenneth Copperwheat, M.D.
Bariatric Surgery
Piedmont Columbus Regional

Real change lives here

In support of improving patient care, Piedmont is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team. This activity offers 6.5 AMA PRA Category 1 Credits™, 6.5 ANCC credits, 6.5 AAPA Category 1 CME credits, and 6.5 IPCE credits.

This activity was planned by and for the healthcare team, and learners will receive 6.5 Interprofessional Continuing Education (IPCE) credits for learning and change.
